

September 14,2005

Minutes for the Ninth Meeting of the Baltimore Area Wood Turners (BAT)

Mike Schwing (President, BAT) started the meeting at 7pm

16 members attended

Ron Mooren (spelling?) member of the "Woodpeckers" association attended and brought several items for the show and tell and explained what his organization was all about.

Several excellent turnings were passed around during the Show & Tell

Wayne Kuhn handed out a detailed plan for the construction of the cabinet that will be used as a stand for the new Jet Mini Lathe. BAT members agreed that the construction team will be able to make any changes to the design as needed during construction.

Many different species of wood and several roughed out bowls were donated to the club by generous members and were raffled off. Proceeds going to BAT.

Frank Martin (Treasurer, BAT) purchased the club's new Jet Mini Lathe from Robert. (Woodcraft)

Chris Kuehn (Vice President, BAT)gave an excellent demo on turning Birdhouse Style Christmas ornaments. Chris also passed around several of his ornaments explaining design changes he's made as his skills have developed.

After the demo members cleaned up the meeting area.

Mike Schwing announced that the October demo topic will be texturing tools.

Meeting ended at 9pm
